

## Concerned about COVID-19? Let's work together!

---

### Here's what we're doing to keep you healthy:

- Until further notice we will implement a new cleaning procedure for the wellness equipment
  - Each piece of equipment will have two cards attached to it.
  - If you see a **green** card on the equipment that says it has been sanitized and is ready to be used, **GO** ahead and use the equipment.
  - If you see an **orange** card on the equipment, **STOP!** Do not use! This equipment has not been sanitized and is not ready for use.
  - When you are finished using the equipment, please place the orange card on the equipment. Then take the green card to a CYCC staff member to cue them to sanitize the equipment.
  - When they are done, they will place the green card back on the equipment & it is ready to use again. If you do not see a green card on the equipment, do not use!
  - Please continue to use the gym wipes for dumbbells, bands, balls, etc.
- We already use a hospital grade quaternary disinfectant every night and will increase sanitization of commonly touched surfaces throughout the day
- Supplying additional hand sanitizer pumps around the Wellness Center

### Here's how you can help keep our community healthy:

- Please be patient & courteous! This new cleaning procedure may require a small wait time to use the equipment you want to use.
- **DO NOT** come to the community center if you or a family member is experiencing fever, dry cough, or shortness of breath OR if any of you have been exposed to anyone experiencing these symptoms or is known to have a positive diagnosis of COVID-19.
- Wash your hands often with soap & water for at least 20 seconds
- Cough or sneeze into a tissue or your elbow and immediately wash your hands
- Maintain social distancing
- Avoid touching your eyes, nose, & mouth
- Visit [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus) for the latest information on the virus

### For updates on how we are handling the situation please visit:

- [www.crivitzyouth.com](http://www.crivitzyouth.com)
- The CYCC front desk
- The "CYCC News" section on the bulletin boards around the center

Our goal at the community center is to keep our community as healthy as possible. We appreciate your patience and cooperation as we attempt to make the best of a difficult situation. As always, I have an open door policy and encourage any respectful questions or suggestions from our patrons!

Melanie Stahl, CYCC Director
